

SUGAR OF MILK

Patch's

Warranted to be prepared free from cane sugar, excess of acid, alkaline earths, ferment germs, glucose, albuminoid residues, or other deleterious agents, which are often found in the other commercial milk sugar.

We have found this BRAND to be one of the best sellers of any SUGAR OF MILK on the market, and our customers insist on always having PATCH'S.

Parents have perfect confidence in PATCH'S SUGAR OF MILK knowing full well its superior qualities and purity for infants as well as invalids. Every box gives full and complete directions for use and hours of feeding.

Money-Saving Electricity....

The use of the Electric Light in the house saves money. The moment you have no further use for the light a turn of a button shuts it off. There is absolutely no waste. How different with kerosene, the lighting and putting out of which is attended by so much trouble that a lamp is frequently allowed to go on consuming oil from which no benefit is received, because it is easier to let it burn than to extinguish it. You probably think that Electricity in the house is a costly luxury. We shall be delighted to show you how greatly you are mistaken.

EDUCATION BOARD MEETING

ROUTINE BUSINESS TRANACTED
BY THE BOARD YESTERDAY—
BALDWIN GIVES A SCHOOL LOT.

The Board of Education released into routine business in yesterday's meeting there being no inkpot controversy to enliven the proceedings. The report of the Teachers' committee assigning teachers was adopted. A letter was received from Alexander & Baldwin enclosing a deed for a school lot at Punahoa, donated by H. P. Baldwin, and a letter of thanks will be sent in reply.

A letter was read from Miss Decoma of Maui who stated that she would be two days at the opening of school owing to her mother's death as her presence was needed at home for a few days.

A cablegram was received from C. E. True, principal of the Kaula school who is at present on the coast asking the board to appoint a substitute for his position. On motion of Commissioner Farrington, Miss Myra Angus, who has been a teacher in the Kaula school for some time was appointed substitute principal at a salary of \$75 a month.

A letter was received from L. C. Lyman, principal of the Hilo Boarding School offering two rooms to the board to accommodate pupils which cannot be taken into the Hilo High School which is already overcrowded. Davis sent a wireless to find out what arrangements could be made. The rooms would be used probably for about six months, at which time it is expected the new high school will be finished.

Davis said that he had written to Superintendent of Public Works Holloway, asking him if he had selected a site for the Hilo High School on his recent visit to Hawaii.

A cablegram has been sent to Miss Marie Rasmussen who is at present in Los Gatos, California, asking her to return to take the position of teacher at Waimanalo which is now vacant. Miss Rasmussen made application for this position some time ago.

A QUESTION OF REFRESHMENT.
Well, of all hot weather topics, about the least refreshing is Tom Watson's populism, which the Providence Journal and The Washington Star are now discussing. Are there no Don't Worry clubs in those cities.—Philadelphia Inquirer.

THE LAST OF POOR JOHN GIBB

JURY FINDS THAT HE DIED FROM
DROWNING AND HALF BRING
VERDICT OF SUICIDE.

The coroner's inquest on the body of John Gibb, which was found in a lagoon near Makee island on Thursday, resulted in an agreement to disagree last evening. The facts of the finding of the body and the medical testimony as to the cause of death were presented but no evidence to show that the deceased had threatened suicide was given. The letter which Gibb left for his friend Campbell in which he spoke of "crossing the divide" to meet his loved one was not presented in evidence at all. The medical testimony showed that the deceased suffered from a disease of the spinal cord. It affected him so that if he shut his eyes he could not keep his balance but would fall down.

Under these circumstances three of the jury William Savidge P. H. Burnett and A. M. Burns found simply that Gibb came to his death by drowning but the other three J. H. Wyatt, H. S. Crane and R. H. Allen added a clause to their finding to the effect that the drowning had "been caused by suicidal intent."

Gibb's body was buried yesterday morning beside that of his wife in Nuuanu cemetery, she having died four months ago.

THINKS THAT HE IS ROCKEFELLER

SAYS HIS CLOTHING IS TAINTED
WITH OIL AND MONEY AND
WANTS TO DISCARD IT.

NEW YORK, August 16.—Declaring that he was John D. Rockefeller, that he was rolling in wealth, but that he was tainted with oil, Thomas O'Connor went into Union square Park today and began to disrobe. He gave his coat to a passerby rid himself of his shirt and then went to Brent's book store.

"I am going to take off every stitch," he said. "I am just reeking with oil taint and all my millions will not buy me relief from it. I have decided that this rain will wash it off."

O'Connor was trying to take off his trousers when arrested.

At Bellevue Hospital the doctors say O'Connor is crazy.
